

## **Website Accessibility Statement**

### **Our Commitment**

We are dedicated to maintaining a website that is accessible, including people with disabilities. We strive to follow industry practices and standards to ensure all visitors can use our site effectively.

### **What We're Doing**

We are working to make our website more accessible by:

- Using clear language
- Providing text alternatives for images
- Ensuring keyboard navigation works throughout the site
- Maintaining good color contrast for text and important elements
- Making forms and interactive elements usable by everyone
- Providing captions and transcripts for multimedia content when possible

### **Accessibility Standards**

Our website aims to comply with various United States web content accessibility guidelines and ADA (Americans with Disabilities Act) guidelines. guidelines explain how to make web content more accessible to people with disabilities.

### **Limitations**

While we strive for accessibility, some parts of our website may not be fully accessible yet. We are actively working to identify and address these issues.

### **Feedback and Help**

We welcome your feedback on the accessibility of our website. If you encounter barriers or have suggestions:

- Email us at [info@medassistconsulting.com](mailto:info@medassistconsulting.com)
- [Phone number]

If you need content in a different format, please contact us using the methods above, and we'll do our best to provide it.

### **Formal Complaints Response Timeframe**

We aim to respond to accessibility feedback within 5 business days.

**This Statement**

We updated this statement in January 2025, and we review it annually.
